

An architectural rendering of a modern shopping center. The main building is a two-story structure with a grid of light-colored panels and large glass windows. To the left, a smaller building features a sign for 'COURTESY' and 'THE CURRUMBINES'. The foreground shows a paved plaza with a central green island, a crosswalk, and several people walking. In the background, there are blue mountains under a bright sky. A circular graphic with a black center and a multi-colored border (orange, yellow, green, blue) is overlaid on the left side, containing the text 'CURRAMBINE CENTRAL'.
